Palm Weaving Experience

A traditional interactive experience where participants are introduced to the Saudi palm weaving craft. Guests get the chance to weave using natural or colored palm strips under the guidance of a skilled artisan. Each participant can create a simple item such as a bracelet, keychain, coaster, or small souvenir to take home.

The activity turns a traditional craft into a hands-on experience. Instead of only watching the craft, guests participate in making a piece themselves, creating a stronger connection with the event and the cultural theme.

Service Includes

• Skilled palm weaving artisan on-site

• Palm weaving materials and tools

• Simple activity setup

• Brief explanation of the craft and weaving process

A handmade souvenir created by the participant or provided after the experience.
