The Roots Trophy

Multi-layered corporate trophy crafted entirely from natural elements. The design rests on a sturdy, textured base made from authentic dark volcanic stone. Rising from this base is a layered composition. The back layer features traditional woven palm fronds, adding a rustic and cultural touch. In front of this rests a smooth, light-colored backing. The centerpiece is a thick, polished slice of natural wood with rich, visible grain patterns. This blank wooden surface serves as a dedicated space for custom corporate engraving. It is an exceptional award recognizing high achievements while proudly celebrating natural heritage.
